attended. We regret that we have not room to publish in fall this admirable production, for it requires and is well deserving the most attentive persual and deepest study, and well calculated to produce the most beneatical results in civilized society. The lecture has been very justly characterized by those who had the pleasure of hearing it, as agem of inney, poetry and philosophy. Many, indeed, of the committee to help him back to his seat in Alabama, and Holden, of North Carolina, now under impeachment, sorely needs relief from the pains and penalties he has incurred, and which he dreads may be imposed.

Colonel McRae's nature is earnest Colonel McRae's nature is earnest and which he dreads may be imposed and genial, and, his intellect being onick, bright and comprehensive in and genial, and, his intellect being quick, bright and comprehensive in its grasp, we are not surprised that his lecture should be regarded as possessing matchless beauty, strength, power and eloquence, and sparkling with the mingled gems of exquisite poetry, rich, racy humor and profound philosophy. The loud applause and the high commendation with which Colonel McRas's lecture has been received, will, no doubt, swell as true that both these latter States are now recognized as members of the Union, and are represented in Congress. Being once more in the enjoyment of "their ancient rights and privileges," it might very proposite that they, in common with all the other rehabilitated Southern States, were quite as free from any further Congressional interference as Massachusetts, or New Hampshire. Such, however, in the pinion of General Grant and the pitra Prederick (Charles' army, been used for the reception of all kinds of movables, as well as the graves themselves, which have been found to contain wine etc., in many instances. This desecration of the charchyard seems to excite great distust among the German officers, who say they had always been told that the France requires well as the graves themselves, which have been found to contain wine etc., in many instances. This desecration of the charchyard seems to excite great distust among the German officers, who say they had always been told that the France requires well as the graves are now recognized as members of the Union, and are represented in Congress.
